TO THE HONORABLE BOARD OF SELECTMEN OF NORTH KENNE-
BUNKPORT:

I have the honor to submit the third annual report of the
Superintending School Committee of North Kennebunkport.

No extensive changes have been made in the school studies or
text books. The course of study used in the Saco schools has
been used as a guide and help for the teachers. This was to
bridge over the time until the state course of study should be
available, which it is now believed will soon be the case. The
same teachers as last year are conducting the Burnham and
Durell schools. On account of the resignation of Miss Blanchard
Miss Gladys D. Giles was hired at the North Chapel school.
These are all teachers of experience and good results are looked
for. Several changes in text books should be made the coming
year. The spelling books in particular show long wear.

Repairs on the toilets and woodshed have been made at North
Chapel. The ceiling also needs repairing and whitening at the
same school. The blackboards also should be improved.

At the Durell school repairs and changes have been made.
The entries have been made into one, giving more space for
pupils' clothing. Windows on the right of pupils have been
removed and those on the left of pupils have been enlarged.
This gave an excellent space for blackboards. Hyloplate black-
boards were installed, which make a very good substitute for
slate, though, of course, not so durable.

Steps have been taken toward placing a jacketed stove in this
building with a ventilating arrangement. This part of the
plan was not completed, as some of the material could not be
obtained.

It would be advisable to place a jacketed stove in the Burnham
school. Chemical toilets are recommended in all schools. It

would be advisable, also, to put better blackboards in the Burnham school.

I wish to express my appreciation of co operation of the teachers and superintending- school committee in all school work and especially during- the recent trying fall term. It is by united efforts of superintendent, teacher and parents that the best results are obtained. I thank all who have given assistance.

Respectfully submitted,

Feb. 5, 1919.

T. T. YOUNG.

Board of Health

The Board of Health of the Town of North Kennebunkport submit the following report for the year ending- Feb. 11, 1919:

There have been eighteen cases of influenza reported to the Board.
